Join Tekcetera for our "10 Months of Giving Thanks" Initiative to Celebrate 10 Years of Service!

For the last decade, this community has given Tekcetera the opportunity to provide reliable, cost-effective hardware, software and technology solutions to businesses across the nation. Now we want to celebrate our milestone anniversary by giving back. For the next 10 months, the Tekcetera team will be found serving food at local shelters, hosting free computer training workshops, participating in beach clean-up efforts, sending care packages to military troops, making monetary donations, and much more.

"We have created a very special culture of 'do what it takes' to care for people in both business and community," said John S. Pitts, founder and president, Tekcetera, Inc. "Our *10 Months of Giving Thanks* initiative is not out of the ordinary for the Tekcetera team. We have spent the past decade giving back, but for the next 10 months, we'll give thanks as a team of one, with our managers, staff and family members."

To kick off the *10 Months of Giving Thanks* effort, the Tekcetera team is hosting a toy drive to benefit children with cancer. Toy donations may be made through Feb. 15 at the Tekcetera headquarters, located at 3 MacArthur Place, Suite 870, Santa Ana, CA, or by calling (855) 838-1822. The Tekcetera team will personally deliver toys to children at local hospitals during the week of Feb. 20.

The *10 Months of Giving Thanks* initiative will culminate at a hosted reception during the month of November, appropriately around the Thanksgiving holiday. Learn more about Tekcetera and its services at www.tekcetera.com and follow *10 Months of Giving Thanks* through photos and updates on Facebook and Twitter. To nominate a local nonprofit in need of volunteers, contact pr@tekcetera.com.
